Parental Request to Deny Access

You have the option of denying your child's access to the Internet and/or prohibiting them from obtaining an e-mail account. To deny access to one or both services, please complete this form as appropriate, sign, date and return to your child's school. Please remember that some school services must be provided via the Internet.

Please understand that this will dramatically affect your child's education as the Cosmopolis School District utilizes several online educational resources.

This signed form must be returned to the school.
